	<p>covid case?</p> <p>Answer: There are two emails sent; one to the community and one to the class that has been affected. If it has a specific grade and/or room number, that is the class affected. DDSB plans on continuing to update the community on the number of cases, more info to come.</p> <p>How are the HEPA filters used at the school?</p> <p>Answer: There are currently 3 at the school - 1 stays in the gym (no windows), and the other two get moved to classes that had a confirmed case.</p> <p>Can we use SCC funds to buy more HEPA filters or can parents donate funds to buy more for the school?</p> <p>Answer: Ms. Brooks will get more info.</p> <p>Did teachers receive N95 masks?</p> <p>Answer: N95 masks will be coming but are not the fitted type. The current medical masks are equally effective, according to the Ministry of Labour so staff will have the choice. Students will also be given 3 ply masks (2/student). DDSB will be making masks mandatory for JK/SK classes but almost all of our JK/SK students currently wear masks.</p>
